Workshops; Pop-up cafe in campus (presentations online).	<a href="https://taltech.ee/en/events/taltech-celebrates-teachers-day">https://taltech.ee/en/events/taltech-celebrates-teachers-day</a>
November 8 2 hours	<b>ASSESSMENT</b> <b>Facilitator:</b> DTU Learning Lab	Seminar	DTU	"Sit down exams are dead - where to now?" Assessment of student learning is where the rubber meets the road in higher education. It has to work, and work well. It takes considerable resources, especially teacher time. It is also a major enabling or limiting factor when it comes to developing education, because our worries about assessment tend to be some of the trickiest barriers to new practices.	<b>Bitte Strunge Sass</b> <a href="mailto:disas@dtu.dk">disas@dtu.dk</a>
November 18 15.00-16.20 (GMT+3)	<b>HOW TO IMPLEMENT ACTION RESEARCH TO DEVELOP TEACHING AND DESIGN BETTER COURSES</b> <b>Facilitator:</b> Taavi Vaikjärv	Webinar	TalTech	Course development; advancing teaching; analyzing teaching.	<b>Kersti Matiisen</b> <a href="mailto:kersti.matiisen@taltech.ee">kersti.matiisen@taltech.ee</a>
