ADVANCED SEARCH

Tallinna Tehnikaülikooli Raamatukogu portaal koondab ühisotsinguks:

- raamatukogu vahendatavad e-ressurssid
- TalTech raamatukogudes leiduvad trükiväljaanded
- TalTech Raamatukogu digikogu

Tallinn University of Technology Library portal brings together a joint search:

- e-resources provided by the library
- printed publications in TalTech libraries
- TalTech Library's digital collection

Ligipääs terviktekstidele

Litsentsitud andmebaaside terviktekstid avanevad vaid TalTechi arvutivõrgus. **Kaugligipääs** terviktekstidele võimaldatakse üksnes TalTechi liikmeskonnale VPN ühenduse [EduVPN](#) kaudu. Vajalik Uni-ID.

Access to full texts

Access to full texts in licenced databases is available only in TalTech network. **Remote access** (only granted to university members) to the databases use a VPN connection [EduVPN](#) with your Uni-ID user credentials.
