STUDENT UNION

OUR GOAL

- Student union in collaboration with the university operates with the aim of **improving the quality of education**, so that graduates can have a versatile preparation for a professional career.
- The student union plays an **important role in leading student life**, creating a sense of belonging, ensuring diverse development, and maintaining traditional student events as well as creating new ones.
- The student union is a sustainable advocacy organization with a strong organizational culture and a significant collaborative partner, whose **importance is understood by all students**.

HOW ARE STUDENT'S VOICE HEARD

- Various university decision-making bodies
- TalTech Senate (we have 6 student representatives in the senate)
- Faculty Councils
- Curriculum Councils
- Student Village Board NGO
- Library Council
- Sports Council
- Federation of Estonian Student Unions
- We are represented in various working groups, commissions, daily communication, meetings, consultations
- **In fact, we strive to be present everywhere** - presentations, research, information days, providing input.

SO WHAT ARE WE DOING IN STUDENT UNION?

- **Representing students' rights**
 - Involvement in the decision-making process
- **Transmitting information**
 - Academic staff TO Students (vice versa)
 - Variety of information channels
- **Supporting the Student's Life**
 - Financing student events
 - Organizing events
- **Offering services to the students**
 - Student cards, renting rooms, information

STUDENT PARLIAMENT

- The highest decision-making body representing students, has the right to adopt TalTech students' views and decisions. Representatives of all Schools of TalTech are represented in the Student Parliament.
- They elect student union board and representatives to the decision-making bodies
- They keep an eye on our finances
- They control the work of the board
- International students are always welcome to join!!

OUR EVENTS

Kick-off event

**TAL
TECH**

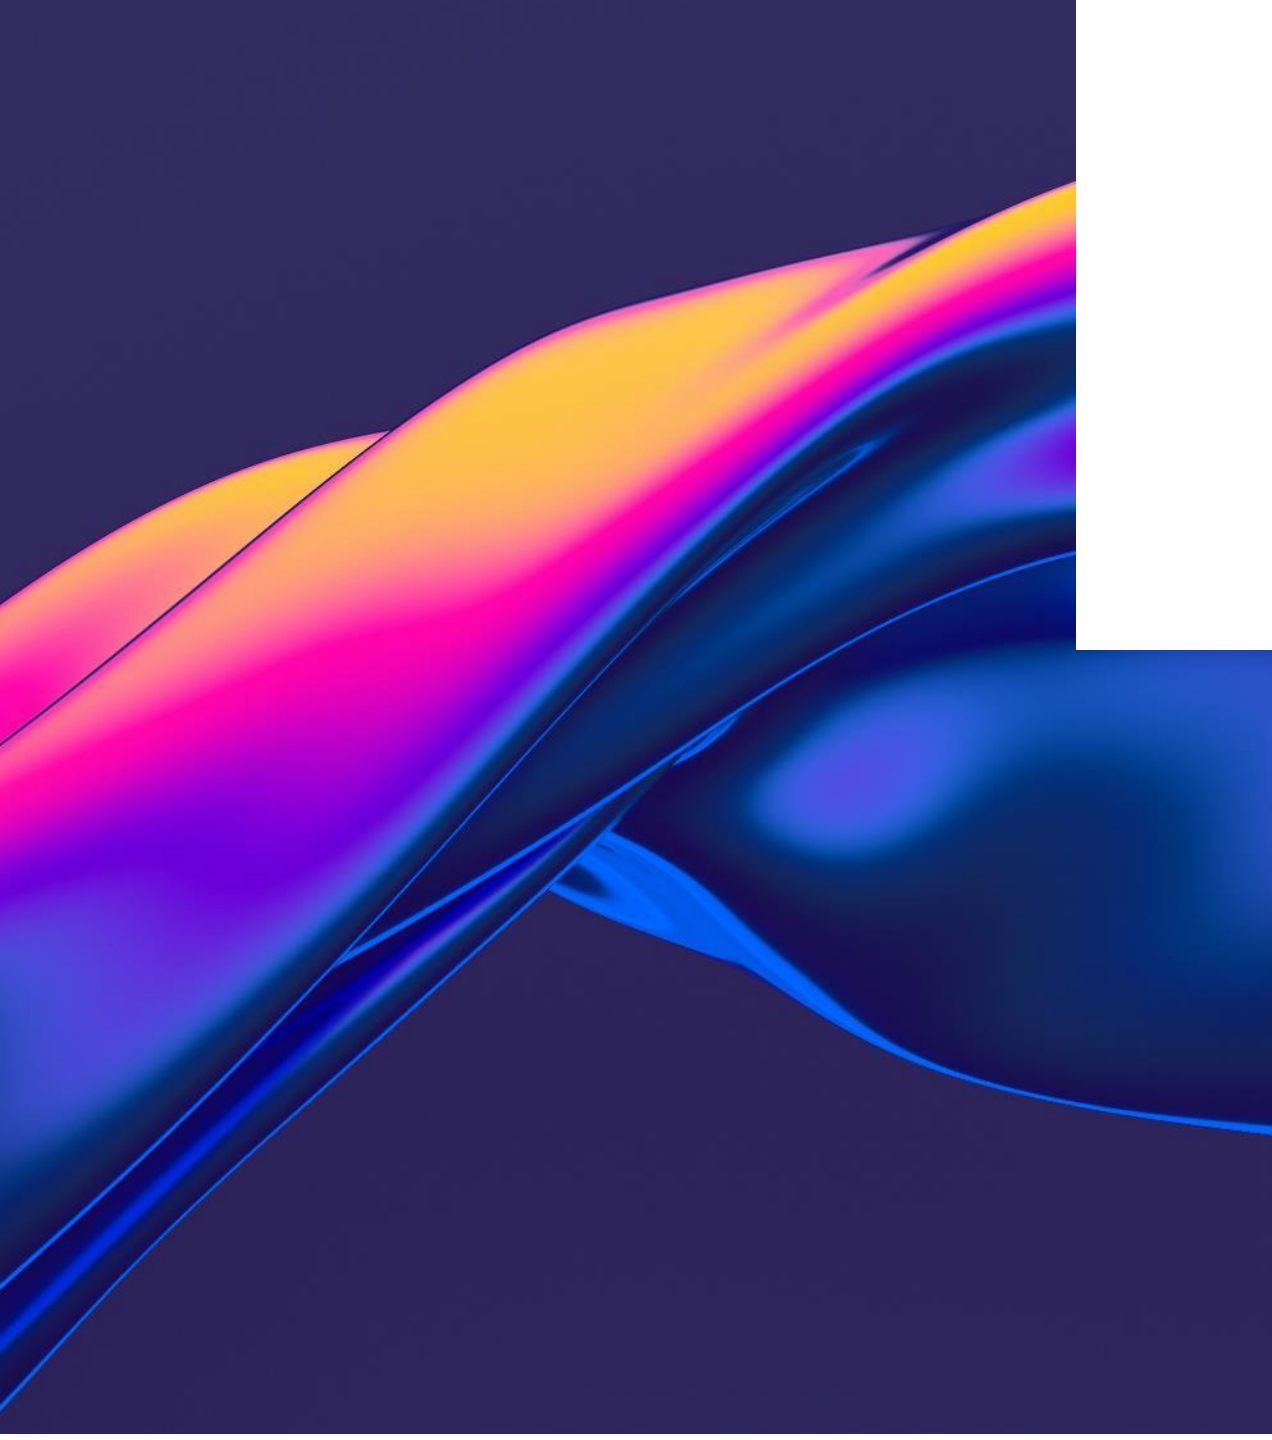

March to the Toompea – celebrating Estonian Independence day with TalTech students
