ORIENTATION DAYS
28-29.01.2026

TALTECH Orientation Days, 28.01 – 29.01.2026

January 28th, room U02-102

9:15 Registration in the main lobby of TalTech, Ehitajate tee 5

09:30 Opening of the event and Introduction of the Programme
Alexander Chanadiri, Marketing and Communications Office

09:45 Estonia and Estonians
Pillemar Lillorg, Mobility Centre

10:15 ÕIS- Study Information System
Pillemar Lillorg, Mobility Centre

10:30 Moodle web-based study system
Margit Ojaots, Educational Technology Centre

10:45 General Study Regulations:

- credits,
- grading system,
- registering your courses,
- exams (etc. related to the academics)
- Student web

Katri Kadakas, representing Dean's Offices at TalTech

11:15 Estonian Language and Culture courses at TalTech
Lilian Vanem and Ulvi Renser, Centre for Language and Communication

11:30 Tour in the TalTech campus
Lunch in the campus cafeterias (at your own expense)
ESN TalTech IC buddies

13:30 TalTech Library
Made Leene Truu, Library

13:45 Student Union
Anna Suzdalev and Kirke Piiskoppel, Student Union

14:00 Introduction of the ESN TalTech International Club
ESN TalTech IC

14:30 – 16.30 *Campus game*

ESTONIA AND ESTONIANS

Pillemari

WELCOME TO ESTONIA!

**TAL
TECH**

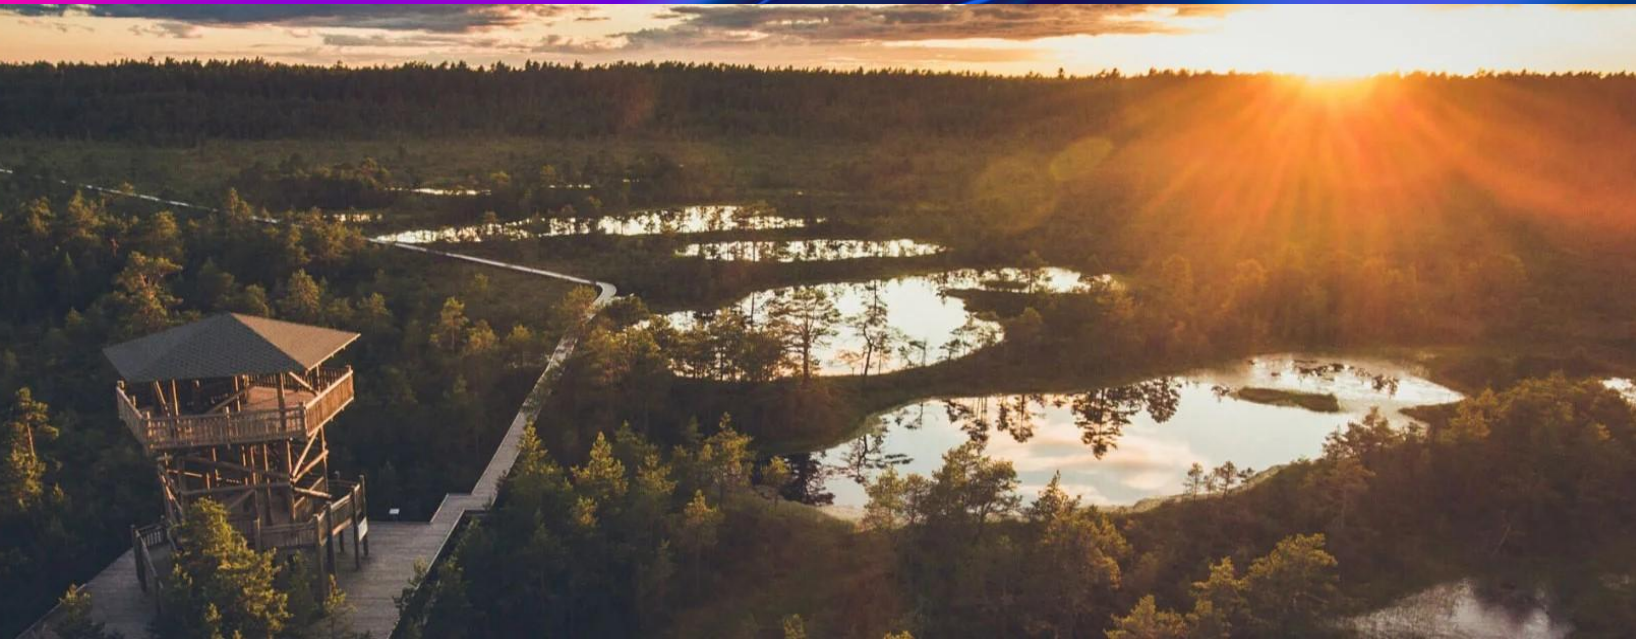

ESTONIA HAS THE HIGHEST "MOUNTAIN" IN THE BALTIC COUNTRIES

FACT!

The country itself is super flat with the highest point being 318 meters (above sea level) BUT that is still the highest amongst the Baltic countries.

**WE LOVE SMALL TALK AND
TAKE THINGS EASY**

MYTH!

**So, keep in mind, that all
deadlines that you agree upon
need to be met and keep your
promises.**

WHEN ESTONIANS GET SICK, THEY GO TO THE DOCTOR STRAIGHT AWAY

MYTH!

The first step to combat sickness is to drink herbal tea, eat A LOT of garlic and honey, and wear socks immersed in vodka. Usually, it helps.

ESTONIANS ARE WORLD CHAMPIONS IN THE SPORT WIFE CARRYING

FACT!

We even have an entry of our accomplishment in the Guinness Book of Records

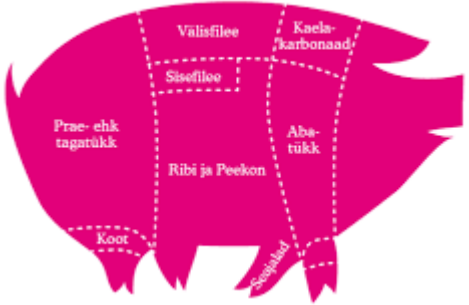

ESTONIANS LOVE SOUR CREAM AND PUT IT ON ALMOST EVERYTHING

FACT!

We eat many of our traditional foods with sour cream. For example dumplings, potatoes, salad, soup, bread and so on.

FOOD

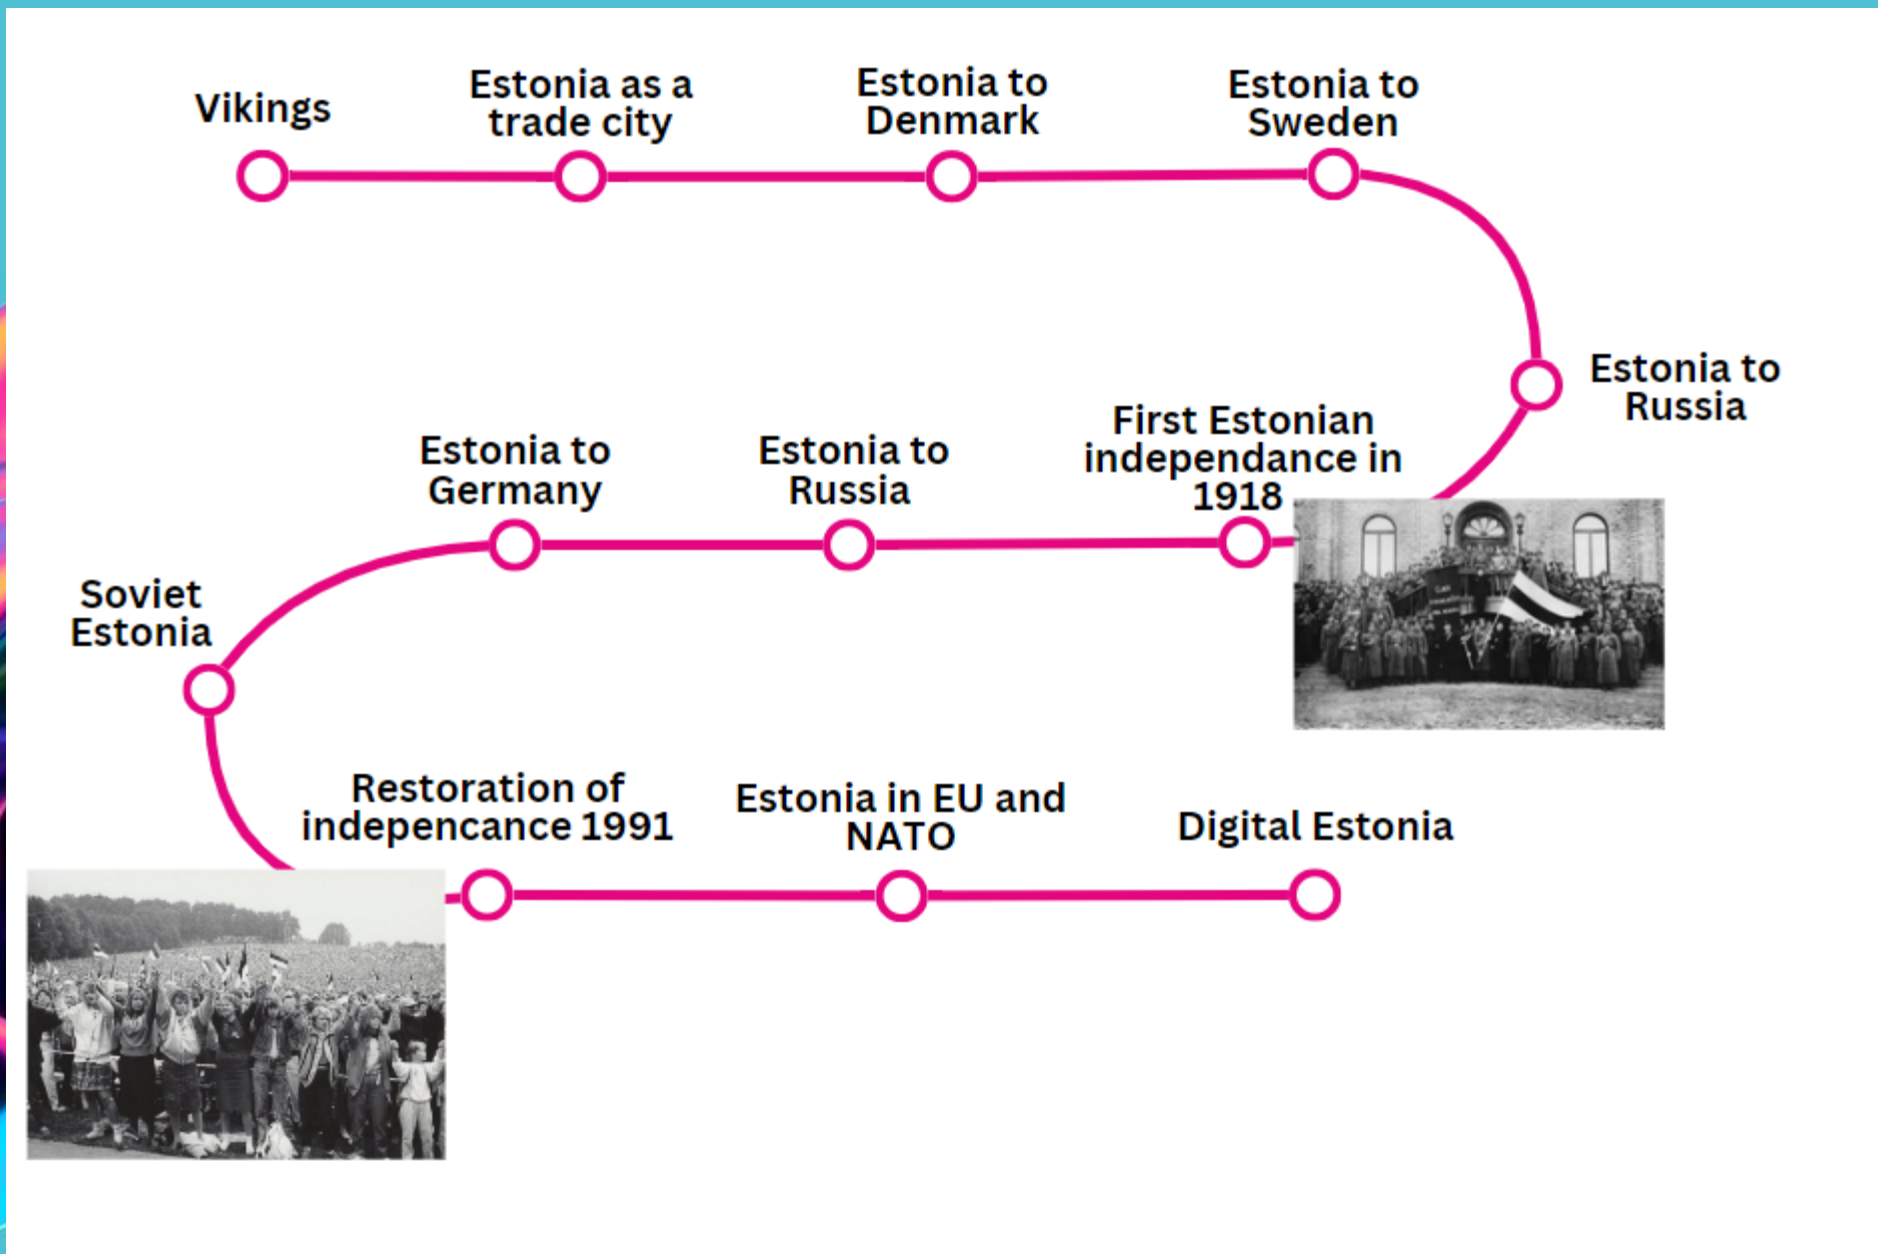

WE GAINED OUR INDEPENDENCE BY SINGING

FACT!

Estonians regained our independence from the Soviet Union in 1991 by what is now called the singing revolution. Reignited the popularity of the Song and Dance Festivals.

HOW CLOSE IS TOO CLOSE?
DEPENDS ON WHERE YOU LIVE?

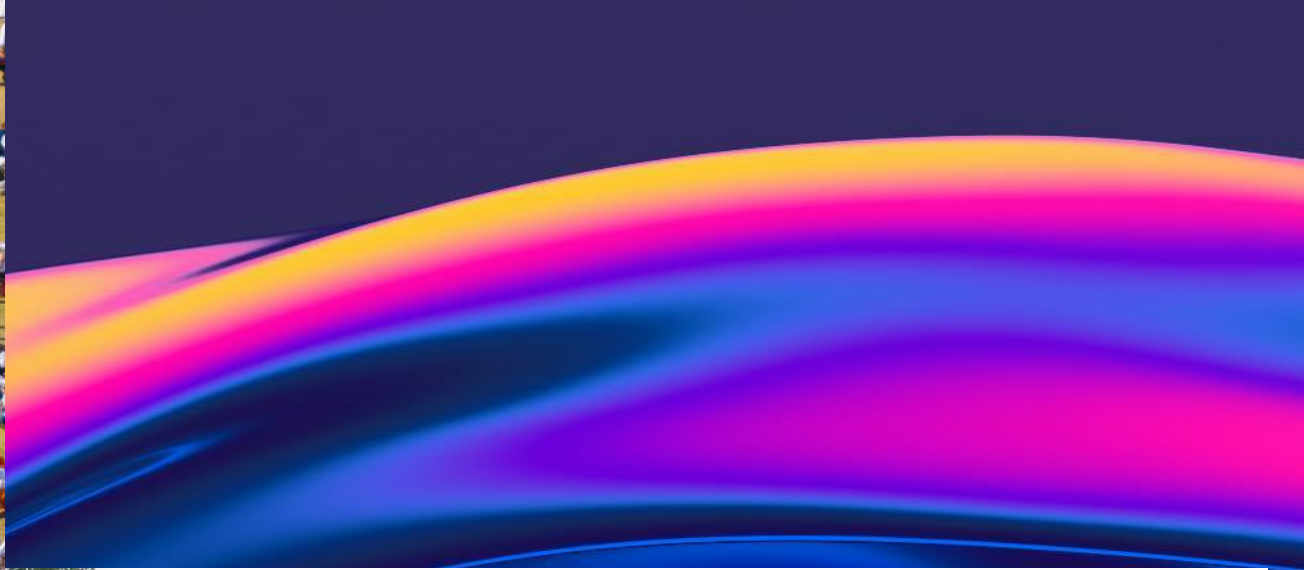

Finally the terrible 2m distance is over, now Estonians can go back to their usual 5m distance.

ESTONIANS ARE COLD, SHY AND UNSOCIAL

MYTH!

While it is true that we take a long time to warm up and love our personal space, we are happy to help and show up for our friends.

ESTONIANS ARE VERY RELIGIOUS

MYTH!

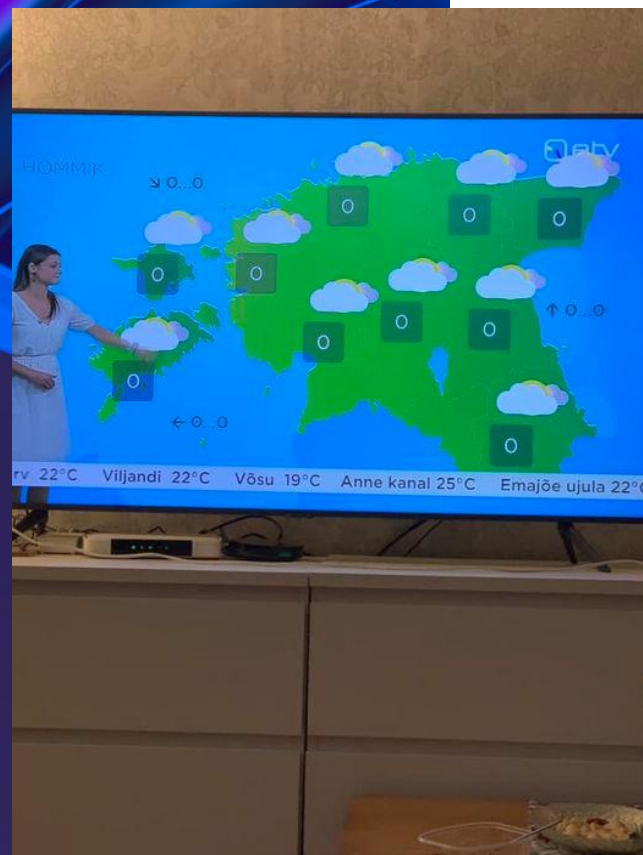

Estonians are one of the least religious countries in the world. We were one of the last regions to participate in paganism.

**SUMMER IN ESTONIA IS
JUST THREE WEEKS OF BAD
SKIING WEATHER**

DEPENDS!
Most of the time the Estonian
weather is cold and windy. While
we do love the short summer
that we have, we know that
snow is just around the corner.

TIME TO EXPLORE BY YOURSELF

MARGIT OJAOTS, EDUCATIONAL TECHNOLOGY CENTRE (ETC)

MOODLE VS SIS

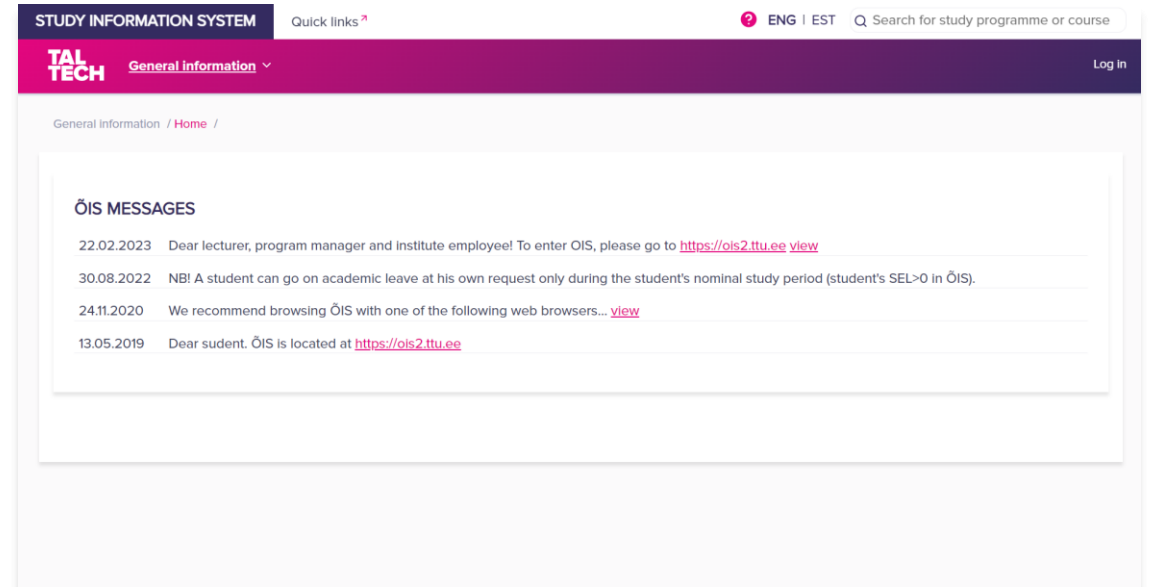

MOODLE

- Study materials and activities
- In-term progress grades

TALLINN UNIVERSITY OF TECHNOLOGY

STUDY INFORMATION SYSTEM (SIS)

- All your academic information
- Submit study plan
- Register for exams
- Final results

Log in

[TalTech Uni-ID](#)[ID-card](#)[Mobile-ID](#)[Smart-ID](#)[More log in options ▾](#)

WHAT IS UNI-ID?

!!! Check your email inbox for Uni-ID to activate it!

Uni-ID is your **digital identity** at TalTech which allows to log into various TalTech IT systems, e.g.:

- TalTech e-mail
- Microsoft services
- Computers in classrooms
- Student Portal
- VPN access to library databases
- TalTech Moodle
- TalTech APP
- etc.

HOW DO I START USING MOODLE?

1. Go to moodle.taltech.ee
2. Log in with your Uni-ID

!!! If you forget your Uni-ID password, go to pass.taltech.ee

TALLINN UNIVERSITY OF TECHNOLOGY

Sign in

uni-id + @taltech.ee

[Can't access your account?](#)

Back

Next

You can sign in to TalTech e-mail using TalTech Uni-ID account. To review your login information or set your password go to <https://pass.taltech.ee> and for help go to <https://it.taltech.ee>

Sign-in options

TalTech Uni-ID self-service portal | What is TalTech Uni-ID?

Forgot password

Activate Uni-ID account

MFA setup

Forgot password - if you have forgotten your UNI-ID password, you can reset it here.

Activate account - UNI-ID initial login with temporary password or ID-card, Mobile ID or Smart-ID

MFA Setup - Change two-level authentication settings (for example, when changing a mobile number or phone)

Edu&Tegu Ettevõtluspädevuse mudel

Course Grades **Enrol me in this course**

ETTEVÕTLUSPÄDEVUSE MUDEL

Ettevõtluspädevuse paremaks mõistmiseks ja toetamiseks nii hariduses kui ka elukestvas õppes on Eestis välja töötatud ettevõtluspädevuse mudel ja selle kasutamist toetav **ettevõtluspädevuse arendamise ja enesehindamise juhend**. Käesolevad õpiobjektid on koostatud lähtuvalt loodud juhendist, eesmärgiga luua võimalus individuaalseks õppeks selleks, et paremini mõista ja toetada enda ettevõtlikkust. Õpiobjektid sisaldavad infot iga nelja ettevõtluspädevuse valdkonna ja nende alapädevuste kohta ning lisaks harjutusi, mis aitavad mõista ja arendada igas pädevusvaldkonnas enda oskusi. Kuna ettevõtluspädevuse kõik neli valdkonda ja nende alapädevused on käsitletavad tervikuna, siis soovime täielikuks ülevaateks enda ettevõtlikkusest töötada läbi kõik neli õpiobjekti.

Enesejuhtimise valdkond

Väärtust loova mõtlemise ja lahenduste leidmise valdkond

Sotsiaalsete olukordade lahendamise valdkond

Ärardeede elluviimise valdkond

HOW TO USE A MOODLE COURSE?

- The Moodle course is usually only **an e-support** for your study activities. You still have to go to class!
- **Pay attention to which activities should be done in Moodle** (quizzes, assignment uploads, etc.) and which activities are done only in class.
- **Take care of deadlines** in Moodle, as some activities may be available for a limited time and cannot be submitted after the deadline.

ÕIS (STUDY INFORMATION SYSTEM)

- subject registration
- timetable
- academic calendar
- study results
- etc

Ois2.taltech.ee

STUDENT CODE IN ÕIS

- every student has its unique student number
- this number is necessary to identify you in the system (ÕIS)
- you need the student code to write on all applications, tests, e-mails and other papers that are handed in at/in the university

Example:

- **Degree study**

David John 261234IASM

- **Visiting student**

John David 264321IV – School of IT

David John 262345EV – School of Engineering

David Johnny 265432MV – School of Business and Governance

Johnny David 263456LV – School of Science

ACCESS TO ÕIS (STUDY INFORMATION SYSTEM)

Visit website ois2.taltech.ee

To access system, there are 4 options:

- **UNI-ID- highly recommended 😊, information about account will be sent by email**
- ÕIS username and password (room SOC-132)
- ID card (Estonian ID code needed)
- Mobile ID (Estonian ID code needed)
- Confirm the following validity of your personal data

ACADEMIC CALENDAR- IMPORTANT INFORMATION REGARDING STUDIES

- the beginning and end of semester
- study plan submission deadline (registrating for the courses)
- holiday deadlines
- examination session dates

Available in ois2.taltech.ee

PROGRAMME ABBREVIATIONS IN ÖIS

Bachelor:

- International Business Administration **TVTB**
- Law **HAJB**
- Integrated Engineering **MVEB**
- Cyber Security Engineering **IVSB**

PROGRAMME ABBREVIATION IN ÕIS

Master:

- International Business in the Digital Era **TVTM**
- Law **HAJM**
- Technology Governance and Sustainability **HAGM**
- Entrepreneurial Management **MAEM**
- Cybersecurity **IVCM**
- E-Governance Technologies and Services **IVDM**
- Digital Health **YVEM**
- Environmental Engineering and Management **EABM**
- Industrial Engineering and Management **MARM**
- Technology of Wood, Plastic and Textiles **KVEM**
- Marine Engineering **EAHM**
- Maritime Digital Solutions **VAMM**

TIMETABLE IN ÕIS

- Timetables are available by Schools
- Weeks are numbered (in timetable: Study weeks, sometimes distributed odd and even
- Next week (starting with February 2, 2026) is 1st week

Numbers added to the programme abbreviation indicate following:

First number shows semester:

- nr 11- first year Autumn semester (1st study semester)
- nr 21- first year Spring semester (2nd study semester)
- nr 31- second year Autumn semester (3rd study semester)
- Second number indicates the study group (for bachelor studies) or specialisation (if program has 2 or more specialisations))

EXAMPLE OF TIMETABLE

IVSB12 Cyber Security Engineering (Study week 1-16)

Week

STUDY PLAN IN ŐIS

- at the beginning of each semester all students must submit a study plan
- if the study plan is not submitted then you will not receive your grades as the teachers cannot create assessment sheets
- the study plan is submitted via study information system (ois2.ttu.ee)
- study plan (declaration) must be submitted latest on the indicated deadline in Academic Calendar

STUDY PLAN IN ÖIS

- **Declaration deadline /study plan submission is
9 February 2026**

PS! In some cases, a lecturer has a right to cancel the declaration made by student. In the Academic Calendar, 11 February is a deadline for cancellation of students' declarations by the lecturer.

STUDY PLAN IN ÖIS

In registering your courses in ÖIS, please:

- make sure that you take required amount of ECTS
- make sure that subject code and professor's name is correct

If you need to make changes in study plan after the deadline, turn to Dean's office immediately and they will help you with the declaration.

EXAMINATION SESSIONS

- 2 terms in 1 academic year- **Autumn and Spring**
- 1 term (semester) consists 16 weeks of classroom and practical study and examination period

Spring semester 2026:

- End of classroom sessions May 24, 2026
- Spring semester examinations deadline June 10, 2026
- End of semester June 15, 2026

REGISTRATION FOR EXAMS

Registration for an exam

- through ŌIS (mainly)
 - at the instructor or department/School
-
- A student has the right to improve the result of an exam on the basis of one declaration only once and only at the proposed exam dates

ASSESSMENT OF ACADEMIC PERFORMANCE

- The final grade can be calculated as a total of different components (homework, test, exam, assessment) or based only on an examination or assessment at the end of study period.
- If the final grade is partially or entirely based on the results of continuous assessment, the assessment criteria and the weight of the results of continuous assessments in the final grade, incl. possible prerequisites for eligibility for assessment, as well as the deadlines for the performance of the assignments, shall be specified in the extended syllabus of the relevant course.
- If a student does not fulfil the prerequisite for eligibility for assessment indicated in the assessment criteria, the student will not be able to achieve a positive final result in the course.
- For non-graded assessment the final grade shall be determined by a threshold; when learning outcomes of a student comply with or exceed the threshold, the assessment shall be indicated as adequate – A (pass), or, in case the student's learning outcomes fail to comply with the threshold, the assessment shall be indicated as inadequate – M (fail)

ASSESSMENT OF ACADEMIC PERFORMANCE

Assessment may be either graded or non-graded.

Graded assessment

- "5"- excellent
- "4"- very good
- "3"- good
- "2"- satisfactory
- "1"- sufficient (poor)
- "0"- insufficient (failed)

Non-graded assessment

- A- pass
- M- fail

MI - „absent“- has not participated on the exam

GENERAL PRINCIPLES FOR USING ARTIFICIAL INTELLIGENCE IN TEACHING AND LEARNING

- AI applications can be used as:
 - a source of inspiration,
 - a tool for evaluating and refining ideas,
 - for translation,
 - to support learning during the early stages of the work.
 - AI applications can also be helpful in editing student-generated text during the final stages of work.
- AI applications must not be used:
 - for the preparation of extensive sections of a graduation thesis (e.g. an entire chapter),
 - fabricating data for analysis,
 - generating substantive arguments
- A learner is fully responsible for the accuracy and quality of all information, research material and the results of analysis submitted for assessment, as well as the correctness of all references.
- <https://taltech.ee/en/student/academic-information/good-practices>

TALTECH STUDENT PORTAL

STUDENT.TALTECH.EE (access by Uni-ID)

Necessary information for students in one place:

TalTech Library
Tallinn University of Technology*

OUTLINE

Overview of the services and the resources: most up-to-date information on the homepage taltech.ee/en/library

- Tip: On University page under „Quick links“ -> direct link to Library

How to reach library:

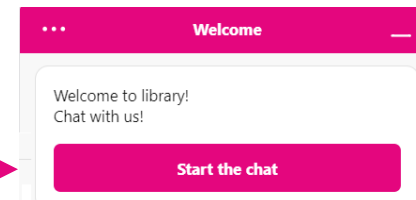

- Search on library portal PRIMO
- Email for Borrowing, renewals:
- Support from Subject librarians:

taltech.ee/en/library

teenindus@lib.taltech.ee

info@lib.taltech.ee;

& *chat*

Instagram [@taltech_library](https://www.instagram.com/taltech_library)

- 1)E-resources: on the main page under quick links important easy access to e-resources
- 2)Other services: under „Reader“ in the menu: taltech.ee/en/library

The screenshot shows the TalTech Library website. At the top, the header includes the TalTech logo, the text 'TALLINN UNIVERSITY OF TECHNOLOGY', a search icon, and a menu icon. Below the header, the main navigation bar has links for 'Home', 'For Reader', 'For Researcher', 'Open Science', and 'About the Library'. The 'Home' link is circled with a blue circle and labeled '1'. The 'For Reader' link is underlined in pink. A blue circle labeled '2' is positioned over the menu icon in the header, with an arrow pointing to the 'For Reader' link. Below the navigation bar, there is a search bar with the placeholder text 'Insert keyword' and a pink 'SEARCH' button with an external link icon. Below the search bar, there is a 'QUICKLINKS' section with the following text: 'Temporary service area on the library's 1st floor (LIB-134)', 'Mon-Fri 8.30-20.00', 'Sat 10.00-17.00', and 'Self check-in every day 7.00-22.00'. Below the quicklinks section, there is a list of services: 'User Registration', 'Borrowing, due dates, fines', 'Interlibrary Loan (ILL)', 'Study rooms and spaces', 'Computers and accessories', 'Printing, copying, scanning, binding', 'European Documentation Centre (EDC)', and 'Price list of paid services'.

Databases, remote access to databases

REMOTE ACCESS TO DATABASES

BENEFITS OF DATABASES BY THE EXAMPLE OF STATISTA.COM

Statista is a global platforms that offers statistics, charts and forecasts from many topics. Students, researchers, professionals in business or other fields use it for gathering data or gain background knowledge for developing new ideas, project or even spot trends for side projects or startups.

- Spot high-impact findings fast and export these easily
- Identify nuanced perspectives
- Enhance comprehension and retention: quickly grasp key concepts
 - Root your work in current trends
 - Get insights into forecasts made by specialists and take this into account in decision-making
 - Analyze your target group, the industry trends etc.
- Databases are found in a list: <https://taltech.ee/en/all-databases>
- Several of these include also a **new AI tool**. Research AI in Statista helps to save time.
- When connected to the University network/through remote access, the database full texts/full data can be accessed anywhere

LIBRARY HELPS YOU TO GET EFFECTIVE IN USING RELIABLE SOURCES FOR EXAMPLE COMPARISON WITH STATISTA.COM:

- When you wish to find percentage of employees working primarily remotely in 2023 in the world in the education sector

Google percentage of employees working primarily remotely in 2023 in the world

AI Overview

According to various reports on remote work in 2023, the percentage of employees working primarily remotely in the education sector globally is difficult to pinpoint with a single, universally accepted number. However, available data provides some insights into the landscape:

- Some estimates suggest 35% of educators were teaching remotely in 2023.

Google finds different numbers:
„Some estimates suggest 35%...“
/
...only 31% of educators etc.

Research AI NEW Daily Data Services My Account

Remote employees in education 2023 - 6/25/2025

percentage of employees working primarily remotely education sector

Percentage of Remote Employees in Education 23.15%

In 2023, 23.15% of employees in the education sector worked remotely. This figure places education in the middle range of industries for remote work adoption, significantly behind technology (67.75%) and finance (48.72%), but ahead of sectors like healthcare (12.24%) and food & accommodation (11.39%).

The overall trend of remote work has been steadily increasing, with 28% of global employees working remotely in 2023, up from 20% in 2021. However, the education sector's remote work percentage is slightly below this global average.

It's worth noting that remote work policies and adoption rates can vary significantly by country and organization size. For instance, in Japan, 23.7% of workers in the education and learning support industry had engaged in telework, closely aligning with the global figure for education.

TECH**

EXCHANGE PRESENTATION

PILLEMARI LILLEORG, MOBILITY CENTRE

TALTECH

- The only technical University in Estonia
- Established in 1918
- 4 Schools and Estonian Maritime Academy
- Students ~10 000
- International Students 8%, from 82 countries
- Campus University
- Rector, Professor - Tiit Land (from 01.09.20)

NAME OF THE UNIVERSITY

Previous abbreviations:

- Tallinna Tehnikaülikool – TTÜ (TTU)
- Tallinn University of Technology – (TUT)
- TalTech University

Tallinna Tehnikaülikool and
Tallinn University Of Technology – TALTECH
from September 2018

TTU, TUT ARE REPLACED WITH **TALTECH**

EXCHANGE STUDENT/VISITING STUDENT

- Erasmus+ Exchange
- Other bilateral agreements
- Free-movers

NB! You have the same rights as TalTec's students, at the same time you hold the students' status at your home university.

ACADEMIC CALENDAR

Beginning of Spring Semester End of Spring Semester	02.02.2026 15.06.2026
Online course registration deadline Plus all changes to the course list	9th of February at 23:59
Deadline for cancellation of students' declarations for registration to a course by the Lecturer	until 11th of February
Examination Session	24th of May – 10th of June
Results will be sent	By e-mail within the month from the semester end date

LEARNING AGREEMENTS (LA) OR (OLA)

- The agreement is signed by you, your home University and TalTech. (O)LA is not a registration for courses in TalTech
- Before, **During** and After Mobility
- Mobility Centre signs the original documents or Online Learning Agreement (Erasmus+ students)

CHANGING LEARNING AGREEMENT (LA, OLA)

- All changes to your course list must be done by the 9th of February
- Confirm changes with your home University and TalTech Lecturer!
- Send me the updated (O)LA so I can sign it
- Find help at our web page
<https://www.taltech.ee/en/changing-learning-agreement>
- Making changes in (O)LA, does not changes the courses automatically in TalTech web based system, do it additionally!

LECTURES AND GRADES

- The lectures begin on Monday, 2nd of February
- Register all the courses in OIS and **SUBMIT** the Study plan
- Be aware what is required from you
- Exam time and rules are arranged by the Lecturer
- The Lecturer gives the grade
- After your studies you will get an official Document with your exams results – Academic Transcript.
- The Academic Transcript is going to be sent when the semester is finished.
- **The official grading system cannot be changed**

INCOMING EXCHANGE TO TALTECH

Thank you for your interest in Tallinn University of Technology (TalTech)! We are very glad to welcome students for an exchange programme for either one or two semesters.

TalTech is public university with strong academic background, founded in 1918, second largest university in Estonia with about 9000 students from over 90 countries. The flagship of Estonian Engineering and ICT education and research where higher education can be acquired at all levels in the fields of engineering and technology, ICT, economics, natural sciences and maritime affairs. The best research library in engineering and business fields in Estonia. Award-winning modern campus.

HOW TO ENTER MOBILITY CENTRE?

We are in the office.

You don't have to
knock, just step in
😊

Office is
closed.
Come
back
another
time.

Monday to Thursday from 8:30-17:00

Friday closed and we answer only emails/calls

You may leave documents to the letterbox behind the
door

NON-EU STUDENT

- Long term Study-type visa or valid Temporary Residence Permit for **Study purpose** in another EU country is accepted
- Who has entered the country visa free, has to apply for the D-type visa in Estonian Police and Boarder Guard Board. Online registration is required
- <https://eelviisataotlus.vm.ee/>
- <https://broneering.politsei.ee/> > Book an Appointment > 8. Long-Stay (D) visa> Choose the Service Office, Tammsaare Office, the nearest to TalTech
- Ask all the University Confirmation Letters from Pillemari
- Non-EU Exchange students cannot apply for TRP.
- You do not get free public transportation and do not register your residence in Tallinn

EU STUDENT

- You do not need Visa or TRP
- **Very important!** - You must register your residence place in the local City District Government within 90 days
- The same rights and obligations as resident of Tallinn
- The presentation and examples of residence registration documents is available at the web page: <https://www.taltech.ee/en/registration-residence-estonia-eu-students>
- Please fill in the paperwork before you go to City District Government
- When it is done, you will apply for Estonian ID card in Estonian Police and Boarder Guard Board

DIFERENT CARDS YOU CAN GET

Estonian ID card that EU-students get when registering their residence

Green card (roheline kaart) that you can use to travel with our public transport. You can personalise the card and load money on the card by [following the instructions](#)

ISIC Student card; the Official national Student card and can be used to get into the study rooms in TalTech

CITY DISTRICT ADMINISTRATION OFFICE IN MUSTAMÄE

PS!They work voluntarily!

- **Student portal**- personalised timetable after declaring your courses

FIRST DAYS FAQ

- <https://taltech.ee/en/en/faq-0#p32758>
- If I don't find the course from the timetable? – Please send an e-mail to the Student Counselling Office (studenthelp@taltech.ee)
- If the courses are overlapping? – Re-choose your courses, inform your home university
- Courses cannot be changed after the registration deadline
- If I can't find any suitable course? – Please discuss with home University what kind of options you have

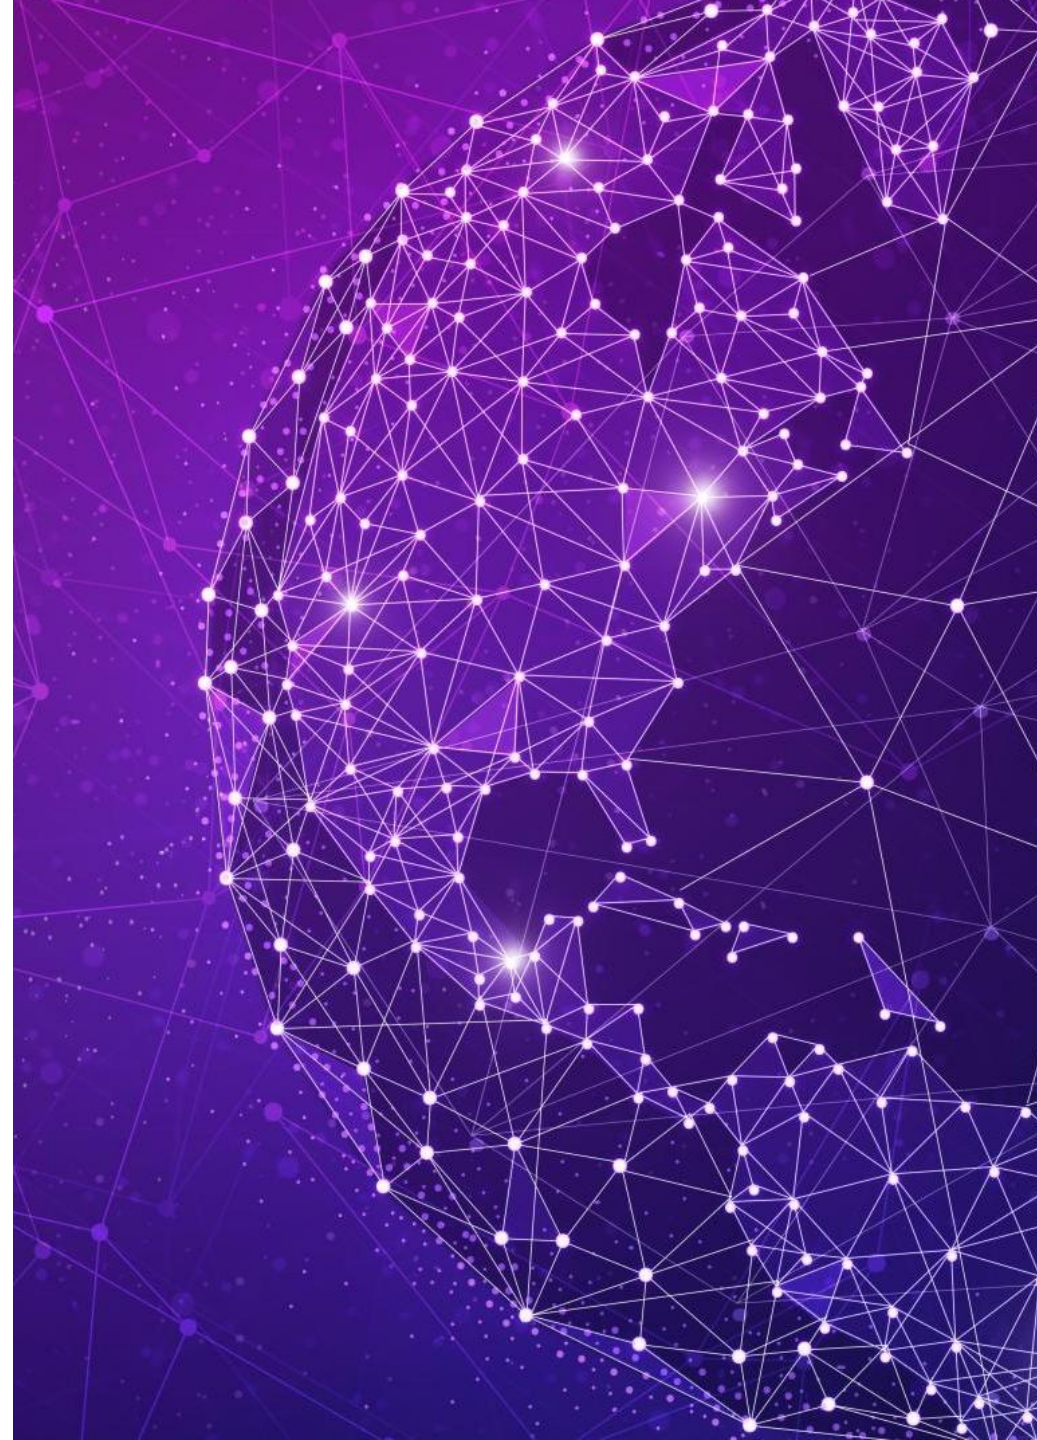

FIRST STEPS AFTER THE ORIENTATIONS DAYS

- Studies begin on 2nd of February
 - Choose courses from (O)LA to your individual OIS Study Plan
 - You can only take courses that are in the course catalogue for exchange students
 - Use the UNI-ID for the first login what was sent to your e-mail address
- Submit the Study plan by
the 9th of February

TIPS FROM ME (AS A STUDENT) TO YOU!

- Set your priorities straight! Study hard so you can play hard.
 - Your main purpose at TalTech is to study!
- Work together!
- No one else will remind you of deadlines (except diligent classmates)!
- Treat criticism as an opportunity for self-improvement.
- Professors treat you like adults, so be an adult.
- Provide feedback to TalTech through the questionnaire at the end of the semester
- Talk about your troubles as soon as they arise
- DO NOT LEAVE URGENT ISSUES AT THE LAST MOMENT!

CAREER SEMINARD IN SPRING

- Seminars to help you to be successful in your studies
- Make good trasissions to job market!

Job search, CV, LinkedIn

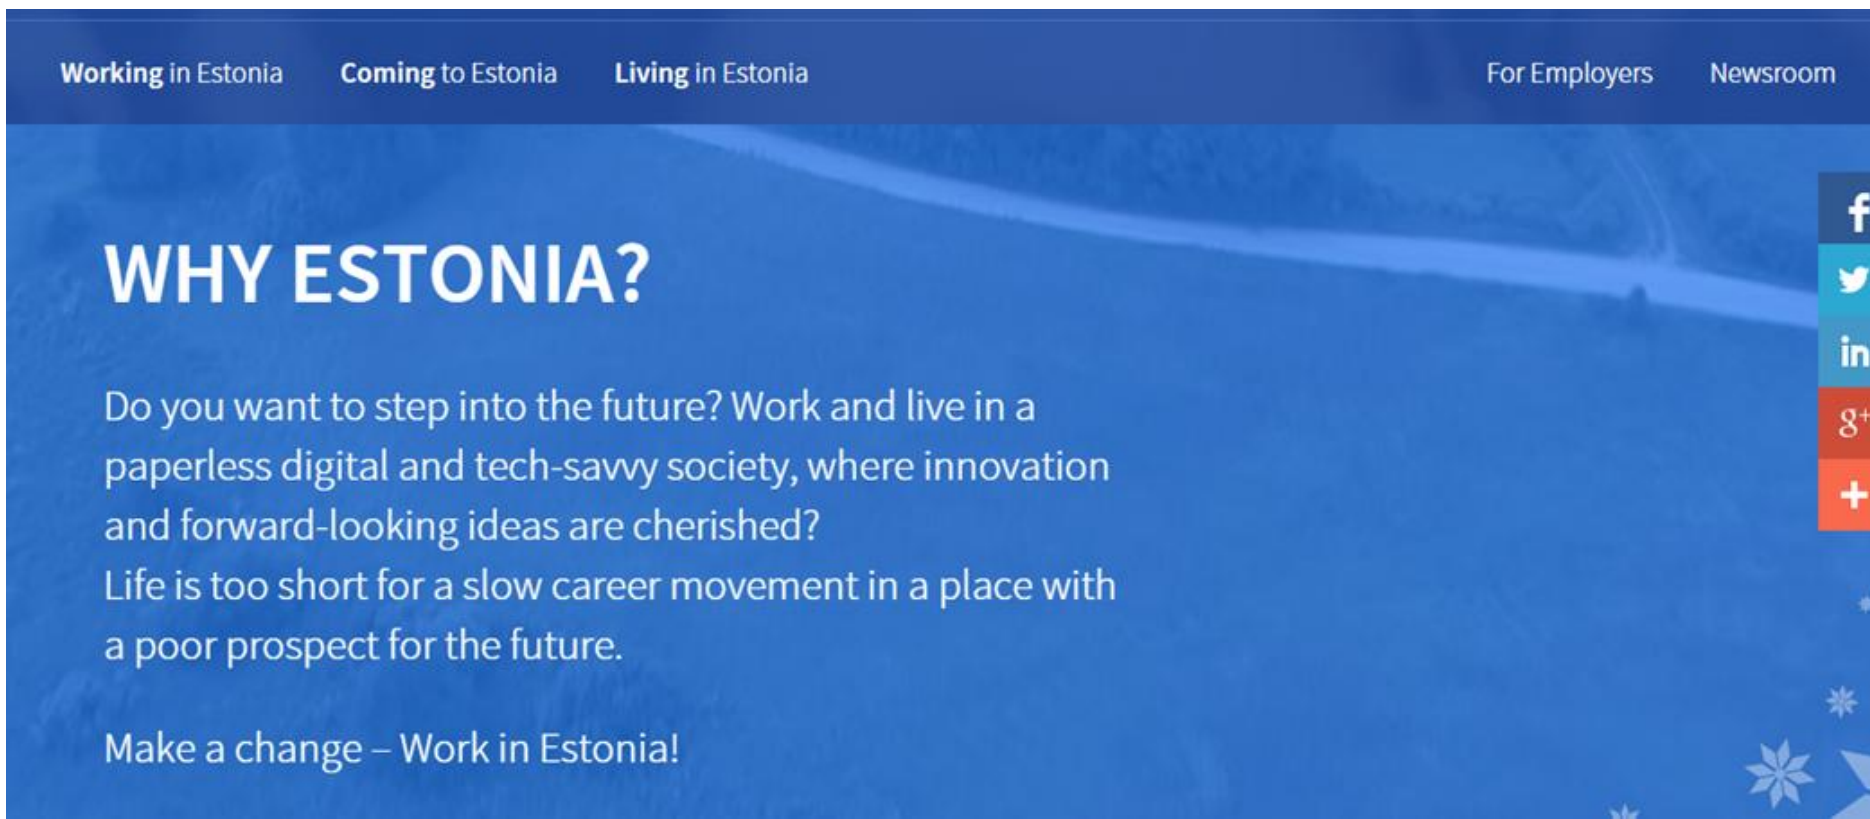

How to find motivation for studying and focus?

ESTONIAN JOB MARKET

- Unemployment 7.1 (2025, 3 quarter)
- Average wage 2011 EUR (2075, III quarter)
- Minimum wage 886 EUR/5,31 hour

Working in Estonia Coming to Estonia Living in Estonia For Employers Newsroom

WHY ESTONIA?

Do you want to step into the future? Work and live in a paperless digital and tech-savvy society, where innovation and forward-looking ideas are cherished?

Life is too short for a slow career movement in a place with a poor prospect for the future.

Make a change – Work in Estonia!

On the right side of the page, there is a vertical stack of social media icons: Facebook (f), Twitter (bird), LinkedIn (in), Google+ (g+), and a plus sign (+).

ESTONIAN JOB/BUSSINESS CULTURE

- Estonians are quite formal and may come across as little bit cold (or even unfriendly!) to people from more informal cultures, but this is not true. Once the relationship warms up the communication style becomes a lot less stiff, yo.
- Estonians mean what they say and do what they say they will do.
- Hard work, accurarcy, detail and deadlines
- Punctuality
- Experience
- Modesty
- Keeping the promise
- Smart casual

A photograph of three people in an office setting, celebrating. A woman on the left and a man on the right are high-fiving a woman in the center. They are all smiling and looking upwards. The background shows a large window with a view of a city. In the foreground, there are several coffee cups on a table and a potted plant on the left.

Thank you and hope to see you soon!

PSYCHOLOGICAL COUNSELLING FOR INTERNATIONAL STUDENTS

PSYCHOLOGICAL COUNSELLING FOR INTERNATIONAL STUDENTS

Extra challenges:

different university: different teaching style, expectations, level of knowledge

different culture: different customs, norms, habits, physical environment

different social situation: being away from one's usual network of people and family, difficulties with communication, feeling isolated

International students may experience common issues as anybody else:

- anxiety
- low mood, sadness, depression
- loneliness
- lack of motivation
- difficulties with focusing
- fear of the unknown and uncertainty
- difficult or unexpected life events
- difficulties with making choices
- difficulties with relationships
- troubled sleep, fatigue, bodily symptoms

WHAT TO DO WHEN STARTING TO FEEL DOWN

Notice Recognize	Recognize that what you experience is normal and very common
Remain active	Remain active: find ways to do what is possible under current circumstances
Reach out	Reach out to friends and others for help instead of withdrawing
Take care	Take care of your health: eat and sleep well, exercise
Be kind	Be kind to yourself, stop beating yourself up
Give a chance	Give yourself and your experience here another chance
Use support	Use all the support that the university is offering

PSYCHOLOGICAL COUNSELLING

Sessions are

- Confidential
- Possible in the building or online
- Free of charge

Make appointment via e-mail

Psychologist for International Students:

Kadri Kiiskmann
