PROGRAMMES AND PARTNER UNIVERSITIES

Student Exchange Programs:

- Erasmus+ partner universities by TalTech schools
    - Erasmus Worldwide – project based
- NORDTEK – network of technical universities in the Nordic and Baltic countries

TalTech Bilateral Agreements – partner universities outside of Europe

Free mover – a student who studies abroad independently, instead of going through an official exchange program between universities. Host university might ask tuition fee

TAL TECH

TALLINN UNIVERSITY OF TECHNOLOGY

TAL TECH

TALLINN UNIVERSITY OF TECHNOLOGY

ERASMUS+ SCHOLARSHIP (2)
ADDITIONAL FUNDING AND INCLUSION SUPPORT

Erasmus+ fewer opportunity top-up

Students who are entitled to additional scholarship of **250 euro top-up in a month** are as follows:

- recipient of Estonian need-based study/special allowance
- parent of minor child/children
- from foster care background
- with diminished work ability
- with health related special needs or chronic illness*

Fill in the Declaration of Honor (request from the Mobility Centre) with supporting documents and send it to mobility@taltech.ee for the following dates:

- exchange studies for autumn or full academic year - **15th of July**
- exchange studies for spring semester - **15th of November**

*Inclusion support

In case the fewer opportunities students' monthly top-up will not cover all health related costs, you will have the right to also apply for inclusion support. This additional support grant is a contribution based on real costs.

TALLINN UNIVERSITY OF TECHNOLOGY

- Add the additional Motivation Letter to your SoleMove application

TALLINN UNIVERSITY OF TECHNOLOGY

EXCHANGE ON THE LAST SEMESTER: THESIS WRITING OR COURSEWORK

Thesis writing: can be written during your exchange on your **final semester**, when it will be also defended in TalTech. Student must have **two supervisors**: one from TalTech (main) and one from the host University (co-supervisor)

- Student must find a co-supervisor from the host University
  - Co-supervisors confirmation is needed:
    - For Autumn semester, by May 1
    - For Spring semester, by November 1

NB! Before applying, it is crucial to ensure that the chosen host university offers options for thesis writing within their institution. The student is responsible for independently seeking a co-supervisor from the host university.

Coursework: all courses has to be passed and transferred to TalTech before thesis defence.

Funding can be given for Autumn semester until **December 15**, for Spring semester until **May 15**.

WHO CAN APPLY AND WHEN?

An applicant should have:

- TalTech **student status**;

- **GPA at least 3.0**;

- sufficient language level – **minimum B2**;

- paid all necessary tuition fees to TalTech;

- provide approval from your supervisor in TalTech if planning to write your thesis abroad.

Application rounds:

- **February** – main applications round (for Autumn or full Academic year)

- **September** – additional application round (for Spring semester)

TALLINN UNIVERSITY OF TECHNOLOGY

WHAT TO KEEP IN MIND

When choosing a host university:

- Start from our website, where <u>partner universities are listed by Study Programmes</u>
  - A broader view is available on SoleMove – <u>Destination search</u> (add your Faculty/School + Study level to see a correct overview)
- Choose the country based on your financial means
- Follow the information provided on the host universities website for exchange students *(Incoming Exchange, Incoming Erasmus)*
  - Course catalogue
  - Accomodation information (whether they have dormitories or other alternatives)
  - Semester dates/academic calendar

On <u>SoleMove</u>, **submit <u>one</u> application**, listing **up to 3 host university preferences.**

TAL TECH | TALLINN UNIVERSITY OF TECHNOLOGY

FIRST STEPS

1. **Gathering information and finding suitable partner universities.** Check the host university's website and the list of courses offered in English.

2. **Apply through SoleMove**
   - Select up to 3 preferred universities, write a **Letter of Motivation**, prepare your **CV** and get your **Language Certificate.** Apply by the deadline.
   - Pass the **interviews** in your School – after the application round you will receive the invitation from the Erasmus coordinator

3. **Nominations (march-april)**
   - Official nomination will be made by TalTech to one host university

4. **Follow host universtities instructions**

NON-EU CITIZENS:
RESIDENCE PERMIT, VISA REQUIREMENTS

Non-EU students going to EU universities: Visa may be required. Please check with the receiving university or the closest consulate of the chosen country.

NB! The student must have a valid Estonian TRP during their mobility abroad

EU CITIZENS GOING TO EU UNIVERSITIES

If your stay in another EU country is longer than 3 months, you will be required to apply for a residence document confirming your right to live there.

Please note: in some countries you may have to **report your presence upon arrival**
