

## TECH GROUP SCHOLARSHIP

Tech Group scholarship is intended for an engineering student who genuinely wishes to contribute to the development of future technologies and to move confidently towards their professional goals. We encourage all applicants with determination, curiosity, and a desire to grow as an engineer to apply. Working at Tech Group offers the opportunity to encounter technically complex and unique equipment that most people never see in their lifetime.

- 1. Tech Group Scholarship** is awarded to one successful **bachelor's or master's level (including integrated studies and professional higher education) student of the School of Engineering** who meets the following requirements:
  - Matriculated at TalTech and not on academic leave as at the moment of submitting the application;
  - A weighted average grade of at least 3.5;
  - The amount of study performance for the day of submitting the application is at least 60 ECTS;
  - Demonstrates an active attitude to life and enthusiasm for their field, with the aim of developing into a top specialist in the discipline;
  - Is willing to cooperate with TECH GROUP AS; the exact form of cooperation will depend on an agreement between the scholarship recipient and the sponsor.
- 2.** The source of the scholarship is the amount transferred to the TalTech Development Fund by the scholarship sponsor.
- 3.** The scholarship amount is **€2000** for bachelor's studies and **€3000** for master's studies. The scholarship is paid in a single instalment.
- 4.** The scholarship shall be applied for and awarded by way of public competition. The competition shall be announced via various communication channels of TalTech.
- 5.** In order to apply for the scholarship, applicants shall have to submit the following documents (all in English) to the Management Board of the Development Fund:
  - Curriculum Vitae;
  - Official transcript of academic records (from the dean's office study consultant);
  - An essay on one of the following three topics (NB! Essays generated by AI will be disqualified):
    - Which megatrends will shape our clients' lives in 10 years' time?
    - What opportunities will emerge around data, sensors, and real-time analytics?
    - Which "jobs to be done" do clients actually hire us to perform?
- 6.** The Management Board of the Development Fund shall register the applications submitted for the scholarship and organise the forwarding of the documents to the sponsor. Upon its wish,
