

ABB BACHELOR'S STUDY SCHOLARSHIP

ABB AS continues awarding the ABB Bachelor's Scholarship, established in 2008, to students of the School of Engineering at Tallinn University of Technology.

1. **ABB bachelor's study scholarship** is intended for one successful student of Tallinn University of Technology in the field of Electrical Power Engineering and Mechatronics, Product Development and Robotics, **or Integrated Technologies**, who meets the following requirements:
 - matriculated at Tallinn University of Technology and not on academic leave at the time of application;
 - a weighted average grade of at least 3.5;
 - motivation to pursue a career in the chosen field;
 - a true enthusiast of their field, aiming to become a top specialist in the area;
 - an active attitude towards life and a willingness to contribute to the further development of the field;
 - readiness to sign an agreement with ABB AS, stipulating a recommendation to complete an internship at ABB AS and the possibility to write the final thesis on a topic suggested by ABB AS.
2. The source of the scholarship is the amount transferred to the TalTech Development Fund by the scholarship sponsor.
3. The amount of one scholarship is **2000 EUROS** which shall be paid in one instalment.
4. The scholarship shall be applied for and awarded by way of public competition. The competition shall be announced via various communication channels of TalTech.
5. In order to apply for the scholarship, applicants shall have to submit the following to the Management Board of the Development Fund:
 - A motivation letter, where the applicant explains their compliance with the stated requirements;
 - Curriculum Vitae;
 - academic transcript (from the Dean's Office);
 - recommendation from a lecturer, internship supervisor, former/current employer, or the head of a (student) organisation in which the applicant has been actively involved.

6. The Management Board of the Development Fund shall register the applications submitted for the scholarship and organise the forwarding of the documents to the sponsor. Upon its wish, the sponsor may meet with the scholarship applicants before selecting the receiver of the scholarship.
7. The receiver of the scholarship shall be approved by the Supervisory Board of the Development Fund on the basis of the sponsor's proposal. The scholarship shall be paid to the bank account notified by the receiver of the scholarship to the Management Board of the Development Fund.
8. Any problems that might arise related to awarding the scholarship shall be settled by the Management Board and the Supervisory Board of the Development Fund.
9. A student selected as the recipient of the ABB AS Scholarship in 2025 is not eligible to receive other scholarships announced by the Tallinn University of Technology Development Fund in the autumn of 2025.
